Soft Skills: Event Management, Team Collaboration, Leadership, Public Speaking, Problem Solving, Time Management

PROJECTS

Lambda – To the People [GitHub] [Live Site]

Course Project, Socket Programming

Jan 2025

- Developed a full-stack service finder platform that connects users with nearby workers (plumbers, electricians, carpenters, etc.) using real-time geolocation.
- Built secure role-based dashboards with NextAuth authentication for both users and service providers.
- Integrated Razorpay for seamless service payments; enabled workers to register with photos, contact details, pricing, and city-based filters.
- Added features like profession-based search, city filtering, WhatsApp contact, dynamic sorting (rating/popularity), and booking management.
- Designed reusable, responsive components using Tailwind CSS with clean UX and accessibility in mind.
- Tech Stack: **Next.js, React.js, Tailwind CSS, MongoDB, Razorpay, NextAuth**

Get Me A Chai [GitHub] [Live Site]

Personal Project, Micro-Donation Platform

Jun 2025

- Built a fun and minimal platform to let users support creators by sending virtual chai via secure Razorpay payments.
- Enabled creators to generate personalized profile pages with custom bio, avatar, cover image, and GitHub-based login.
- Implemented order generation, payment handling, and live supporter feed using Razorpay, NextAuth, and MongoDB.
- Focused on clean UI/UX with animated components, message input, and dark mode support.
- Tech Stack: **Next.js, React.js, Tailwind CSS, MongoDB, Razorpay, NextAuth**

Spotify Clone [GitHub]

Personal Project, Frontend Clone

Jul 2025

- Designed a static Spotify-inspired music player interface using HTML, CSS, and vanilla JavaScript.
- Implemented responsive layout with functional play/pause controls and playlist simulation.
- Focused on pixel-perfect UI and reusable CSS components with smooth user interactions.
- Tech Stack: **HTML, CSS, JavaScript**

ACHIEVEMENTS

- LeetCode **Max Rating: 1432**, 430+ Problems Solved, 12 Badges, 217-Day Streak in Problem of the Day
- GitHub **35+ Contributions in 2025**, Actively Maintaining and Contributing to Open Source Projects
- 450+ solved questions on various competitive platforms.

POSITIONS OF RESPONSIBILITY

Event Coordinator, National Service Scheme (NSS)

NSS Volunteer, NIT Raipur

2023 – Present

- Responsible for planning, organizing, and executing multiple campus-wide events and social campaigns under NSS.
- Managed event logistics, resource allocation, and coordination with volunteers to ensure smooth execution.
- Led cultural and awareness events, handling promotion, scheduling, and on-ground execution with attention to detail.
- Worked closely with team leads and faculty to deliver impactful community outreach programs.
- Developed leadership, time management, and team collaboration skills through consistent hands-on involvement.
